- Web Development
- Game Development
- Embedded Systems
- Database Development
- Documentation

### Awards

2020 High School Award  
**Top Achiever of Computing**

### Profile

Friendly, cooperative, and a diligent worker with a knack for learning quickly, I bring a strong work ethic and kindness to every task. With previous experience managing cleaning duties for high-profile clients like Kiwibank and Downer, I am adept at handling responsibilities effectively. Outside of work, I find joy in programming, leveraging my passion for technology and problem-solving.

### Work Experience

- Jan 2022 - Present  
Southern Institute of Technology - Invercargill  
**Student of Bachelor of Information Technology**  
Currently studying for a Bachelor of Information Technology degree provided by Southern Institute of Technology.
- 2020 - 2022  
OneStaff - Hastings  
**Casual Labor**  
Primarily working with companies that require hard labor.  
Companies such as Progressive Leathers (Tannery), Big Save Furniture, Meat processing plants and more.
- 2017 - 2020  
Spotless - Hastings  
**Cleaner**  
During my high school years I managed to acquire a job as a cleaner.  
handling companies such as Kiwibank, Downer, and Post Offices.
