Work Experience

○ Dec 2024 – Present

Freelance Front-End Development

Currently working with a few clients I've found in need of a website. These requirements vary as some prefer Shopify, and others require simple full-stack applications.

○ Jan 2022 – Nov 2024

Southern Institute of Technology – Invercargill

Student of Bachelor of Information Technology

Completed a Bachelor of Information Technology degree from Southern Institute of Technology.

○ 2020 – 2022

OneStaff – Hastings

Casual Labor

Primarily working with companies that require hard labor.
Companies such as Progressive Leathers (Tannery), Big Save Furniture, Meat processing plants and more.

○ 2017 – 2020

Spotless – Hastings

Cleaner

During my high school years I managed to acquire a job as a cleaner.
handling companies such as Kiwibank, Downer, and Post Offices.
